

RIVER Cost Share Program Application

**** Download and save this form before proceeding****
Return the form as an attachment, do not scan

INSTRUCTIONS FOR USE OF THIS FORM:

This form is designed to assist in submitting a complete application for consideration by the Suwannee River Water Management District (District) for the RIVER Cost Share Program. Detailed guidance on completing this application can be found in the RIVER Funding Guidance Document. All sections of the form must be completed to be considered a complete application. If additional space is needed to fully complete a section, please attach separately. County governments, municipalities, water supply authorities, and other interested public and private entities as determined eligible may submit.

A. BASIC INFORMATION	
A-1	NAME OF ENTITY / ORGANIZATION:
	PROJECT NAME (<i>please see below</i>):
A-2	Contact information of project manager or contact person:
	(<i>District will send correspondence concerning this application ONLY to this person</i>)
	Name/title:
	Email address:
	Mailing address:
Office Phone: () Mobile Phone: ()	
A-3	Contact information of person with authority to enter into a contractual agreement, if other than project manager or contact person:
	If same as A-2 above, do not complete this section.
	Name/title:
	Email address:
	Mailing address:
Office Phone: () Mobile Phone: ()	
A-4	In which County (or Counties) is this project physically located?
<input type="checkbox"/> Alachua <input type="checkbox"/> Baker <input type="checkbox"/> Bradford <input type="checkbox"/> Columbia <input type="checkbox"/> Dixie	
<input type="checkbox"/> Gilchrist <input type="checkbox"/> Hamilton <input type="checkbox"/> Jefferson <input type="checkbox"/> Lafayette <input type="checkbox"/> Levy	
<input type="checkbox"/> Madison <input type="checkbox"/> Putnam <input type="checkbox"/> Suwannee <input type="checkbox"/> Taylor <input type="checkbox"/> Union	
A-5	Is this project located in the Water Supply Planning Region (<i>Scoring Criterion #5</i>) (<i>Refer to map at NFRWSP Boundary Map</i>)
	<input type="checkbox"/> North Florida Regional Water Supply Partnership/North Florida Water Initiative
Project is listed in the NFRWSP? <input type="checkbox"/> Yes <input type="checkbox"/> No	
If yes – Project number from plan NFRWSP Projects for SRWMD	

A-6	<p>Plans and Strategies (Scoring Criterion # 5)</p> <p>a. Is the project located in an area that has an established Total Maximum Daily Load (TMDL) or Basin Management Action Plan (BMAP)? Refer to link below: District Basin Management Action Plan (BMAP) Map</p>																																		
	<p>The Project is located in an area that has an established TMDL or BMAP: <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If yes, is the project located in a Priority Focus Area? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>Insert Waterbody Number or Name below:</p>																																		
	<p>TMDL Waterbody: Insert WBID name in space below</p>	<p>BMAP Waterbody: PFA Waterbody:</p>																																	
	<p>MFL Waterbody: Identify name of Spring(s) that are benefitted</p>	<p>WBID: Insert Water Body ID # in space below</p>																																	
	<p>Prevention/Recovery Strategy Implemented? <input type="checkbox"/> Yes <input type="checkbox"/> No</p>																																		
	<p>Is the project specifically named in the BMAP identified above? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>BMAP Projects for SRWMD</p>																																		
	<p>Project is in a Priority Focus Area? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If yes, identify below:</p> <p style="text-align: center;"> <input type="checkbox"/> Madison Blue <input type="checkbox"/> Columbia Hornsby Treehouse <input type="checkbox"/> Ichetucknee <input type="checkbox"/> Devils Ear <input type="checkbox"/> Troy Peacock Lafayette Blue Falmouth <input type="checkbox"/> Wacissa <input type="checkbox"/> Fanning Manatee </p>																																		
	<p>Project affects an Outstanding Florida Spring? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If yes, identify below:</p> <table style="width: 100%; border: none;"> <tr> <td><input type="checkbox"/> Columbia Spring</td> <td><input type="checkbox"/> Devils Ear Spring</td> <td><input type="checkbox"/> Falmouth Spring</td> </tr> <tr> <td><input type="checkbox"/> Fanning Spring</td> <td><input type="checkbox"/> Hornsby Spring</td> <td><input type="checkbox"/> Ichetucknee Group</td> </tr> <tr> <td><input type="checkbox"/> Lafayette Blue</td> <td><input type="checkbox"/> Madison Blue</td> <td><input type="checkbox"/> Manatee Spring</td> </tr> <tr> <td><input type="checkbox"/> Peacock Springs Group</td> <td><input type="checkbox"/> Poe Spring</td> <td><input type="checkbox"/> Treehouse Spring</td> </tr> <tr> <td><input type="checkbox"/> Troy Spring</td> <td><input type="checkbox"/> Wacissa River</td> <td></td> </tr> </table>			<input type="checkbox"/> Columbia Spring	<input type="checkbox"/> Devils Ear Spring	<input type="checkbox"/> Falmouth Spring	<input type="checkbox"/> Fanning Spring	<input type="checkbox"/> Hornsby Spring	<input type="checkbox"/> Ichetucknee Group	<input type="checkbox"/> Lafayette Blue	<input type="checkbox"/> Madison Blue	<input type="checkbox"/> Manatee Spring	<input type="checkbox"/> Peacock Springs Group	<input type="checkbox"/> Poe Spring	<input type="checkbox"/> Treehouse Spring	<input type="checkbox"/> Troy Spring	<input type="checkbox"/> Wacissa River																		
<input type="checkbox"/> Columbia Spring	<input type="checkbox"/> Devils Ear Spring	<input type="checkbox"/> Falmouth Spring																																	
<input type="checkbox"/> Fanning Spring	<input type="checkbox"/> Hornsby Spring	<input type="checkbox"/> Ichetucknee Group																																	
<input type="checkbox"/> Lafayette Blue	<input type="checkbox"/> Madison Blue	<input type="checkbox"/> Manatee Spring																																	
<input type="checkbox"/> Peacock Springs Group	<input type="checkbox"/> Poe Spring	<input type="checkbox"/> Treehouse Spring																																	
<input type="checkbox"/> Troy Spring	<input type="checkbox"/> Wacissa River																																		
	<p>Is project listed in any of the following plans?</p> <table style="width: 100%; border: none;"> <thead> <tr> <th style="text-align: left;"><i>Plan Name</i></th> <th style="text-align: center;"><i>In Plan</i></th> <th style="text-align: center;"><i>Supports Plan</i></th> <th style="text-align: left;"><i>Name or ID Number</i></th> </tr> </thead> <tbody> <tr> <td>SWIM</td> <td style="text-align: center;"><input type="checkbox"/></td> <td style="text-align: center;"><input type="checkbox"/></td> <td></td> </tr> <tr> <td>Florida Forever</td> <td style="text-align: center;"><input type="checkbox"/></td> <td style="text-align: center;"><input type="checkbox"/></td> <td></td> </tr> <tr> <td>Santa Fe BMAP (SAFE)</td> <td style="text-align: center;"><input type="checkbox"/></td> <td style="text-align: center;"><input type="checkbox"/></td> <td></td> </tr> <tr> <td>Suwannee BMAP (SUWA)</td> <td style="text-align: center;"><input type="checkbox"/></td> <td style="text-align: center;"><input type="checkbox"/></td> <td></td> </tr> <tr> <td>Wacissa BMAP (WACI)</td> <td style="text-align: center;"><input type="checkbox"/></td> <td style="text-align: center;"><input type="checkbox"/></td> <td></td> </tr> <tr> <td>Strategic Plan</td> <td style="text-align: center;"><input type="checkbox"/></td> <td style="text-align: center;"><input type="checkbox"/></td> <td></td> </tr> <tr> <td>Recovery or Prevention Strategy</td> <td style="text-align: center;"><input type="checkbox"/></td> <td style="text-align: center;"><input type="checkbox"/></td> <td></td> </tr> </tbody> </table>			<i>Plan Name</i>	<i>In Plan</i>	<i>Supports Plan</i>	<i>Name or ID Number</i>	SWIM	<input type="checkbox"/>	<input type="checkbox"/>		Florida Forever	<input type="checkbox"/>	<input type="checkbox"/>		Santa Fe BMAP (SAFE)	<input type="checkbox"/>	<input type="checkbox"/>		Suwannee BMAP (SUWA)	<input type="checkbox"/>	<input type="checkbox"/>		Wacissa BMAP (WACI)	<input type="checkbox"/>	<input type="checkbox"/>		Strategic Plan	<input type="checkbox"/>	<input type="checkbox"/>		Recovery or Prevention Strategy	<input type="checkbox"/>	<input type="checkbox"/>

A-7	<p>Is the Applicant a Rural Economic Development Initiative (REDI) Community? <input type="checkbox"/> Yes <input type="checkbox"/> No</p>																																		

B. PROJECT INFORMATION	
B-1	<p>PROJECT TYPE</p> <p><i>Check only one and provide evidence in Section B-3. Refer to RIVER Guidance</i></p> <p> <input type="checkbox"/> Improve Water Supply <input type="checkbox"/> Improve Water Quality <input type="checkbox"/> Natural Systems (Habitat Protection) <input type="checkbox"/> Flood Protection </p>
B-2	<p>PROJECT DESCRIPTION (<i>Scoring Criterion #1</i>)</p> <p>a. Description</p> <p><i>Clearly describe the project, e.g. what is being constructed or what is the program to be implemented (attach supporting documentation if necessary)?</i></p> <hr/> <p>b. Measures of Success</p> <p><i>Describe how you will measure the effectiveness of your project.</i></p> <hr/> <p>c. Is this project multi-phased or part of a larger overall effort? If so, describe the larger project.</p>

	<p>d. Describe the location, include a map showing project boundaries.</p>
	<p>e. <input type="checkbox"/> Project has been identified in a water audit f. <input type="checkbox"/> Project has been identified in a waste water audit g. <input type="checkbox"/> Project is part of a comprehensive plan Attach a copy of the plan summary if applicable</p>
	<p>Coordinates for the project (use centroid for large areas): Latitude: Longitude: <i>(Example format Latitude: 30.28227 Longitude: -82.95493)</i></p>
<p>B-3</p>	<p>BENEFITS TO Regional Effectiveness & Core Missions (<i>Scoring Criterion #4</i>) <i>Describe the benefit to one (or more) of the SRWMD Missions (Improve Water Quantity, Improve Water Quality, and/or Restore Natural Systems (Protection of Habitat), Flood Protection. Indicate which is the primary mission benefit. Attach separate pages if necessary. Be sure to refer to the Funding Guidance Manual for additional pertinent information –</i></p> <p>Primary benefit:</p>

Secondary benefit(s) (if applicable):

B-4 **If the Project is for Water Resource Development or Alternative Water Supply Development identify the source water (check all that apply):**

Fresh Groundwater

Brackish Groundwater

Stormwater

Reclaimed Water

Surface Water: Identify surface water body: _____

Brackish Surface Water: Identify surface water body: _____

Other: Identify Source: _____

B-5 **Permit Information:**
If the applicant has a Permit and/or an Environmental Resource Permit for the project site, provide the following:

Permit Agency/Type:	Permit #	Expiration date/Compliant (yes / no)

B-6	a. Project Readiness (Scoring Criterion #2): Check all that apply and supply requested dates (month/day/year) and attach a detailed project schedule.						
			Current % Complete				
	<input type="checkbox"/>	Planning		%	Start Date:		Completion Date:
	<input type="checkbox"/>	Design		%	Start Date:		Completion Date:
	<input type="checkbox"/>	Land Acquisition		%	Start Date:		Completion Date:
	<input type="checkbox"/>	Permitting		%	Start Date:		Completion Date:
	<input type="checkbox"/>	Bidding		%	Start Date:		Completion Date:
	<input type="checkbox"/>	Construction			Start Date:		Completion Date:
	<input type="checkbox"/>	Future Phases			Start Date:		Completion Date:
	<input type="checkbox"/>	Other			Start Date:		Completion Date:
<p>Include documentation that demonstrates that the project start date is realistic (e.g. critical milestones, commission approval dates, procurement timeline, land acquisition, permitting etc.). Indicate what permits are required.</p>							
<p>b. Local Government / Public Support: Describe the public support for your project (meetings attended, community workshops, presentations to councils, notification in newsletters, etc.). If your project requires participation from certain communities or homeowners, provide a description of methods used to ensure participation in your project. Provide the percentage of participation that can be documented at the time of the application.</p>							
B-7	<p>Applicant has identified all required permits necessary for project construction and has indicated whether any property needed is under its ownership or control. Applicant initial here:</p>						

C. PROJECT COST INFORMATION

C-1

a. Breakdown of project cost *(provide details in separate attachment)*
Attach a table or spreadsheet with detailed project costs for each task or segment of the project. The table should detail all project costs. Indicate at the end of the table/spreadsheet, a cost effectiveness evaluation as described below.

A. Total estimated project cost: (includes capital, construction, land acquisition, planning, permitting & design costs, contingency)	\$	
B. Construction costs:	Year 1 \$	Year 2 \$
C. Cost-share amount requested:	\$	
D. Estimated Applicant's Annual Operation & Maintenance Costs:	\$	
E. Estimated Service life of components:	years	

c. Funding Sources: *Identify any other outside sources of funding including State or Federal appropriations or grant monies, municipal bonds. Identify source and status of applicant funding.*

The District would like to recognize in-kind financial contributions for REDI communities requesting 100% funding of the project costs. Describe your in-kind contribution and estimate the monetary value of that contribution. This will not affect your score or ranking.

d. Project partners: *Check one below and if multi-jurisdictional include the percent of funding to be contributed by each partner.*

- Single entity
- Multi-jurisdictional (attach copy of partnership agreement or memorandum of understanding, if available, and includes status of agreement). Identify other partners:

C-2	<p>Quantification of Project Benefits: quantify benefits for Septic to Sewer projects, Flood Protection Projects and projects benefiting MFL water bodies using the information provided below per the project. <i>For water quality projects accepted engineering methods may be used to estimate benefits however, backup information showing those calculations must be provided. If the project is a project listed within a BMAP provide the credited nutrient reduction value associated with the project within the BMAP. For consistency in applications, use of the SPRINGS guidance is recommended. Provide calculation of quantified benefit for Water Supply/ Conservation Projects, Water Quality Projects and Natural Systems Projects. Show all work and include assumptions.</i></p>	
	<p>For Water Supply/Conservation Projects: _____ MGD conserved/alternative water supplied</p> <p>For Water Quality Projects: _____ Lbs/year TN removed/reduced annually _____ Lbs/year TP removed/reduced annually _____ Lbs/year Sediment removed/reduced annually</p> <p>For Flood Protection projects: _____ Acres protected from flooding</p> <p>Annual Exceedance probability - As is: 1/ _____ years After implementation: 1/ _____ years</p>	<p>For Natural Systems projects: _____ Acres Wetlands Restored/Enhanced _____ Acres Uplands Restored/Enhanced _____ Linear feet of shoreline Restored/Enhanced</p> <p>For projects benefiting MFL waterbodies: _____ MGD of water withdrawn or recharged _____ MGD of alternative source to offset withdrawals.</p>
C-3	<p>Cost Effectiveness (Scoring Criterion #3) (complete for all that apply) <i>For Water Supply and Water Conservation projects, and for Water Quality projects, please attach the Cost Effectiveness Calculator (as provided on website) and appropriate supporting documentation. For Water Quality, Flood Protection, and Natural Systems projects, please provide methodology used and additional supporting documentation, including, for Water Supply and Water Quality projects, the cost effectiveness calculator.</i></p> <p>Water Supply: _____ cost per 1000 gallons made available Water Conservation: _____ cost per 1000 gallons conserved Water Quality (TN): _____ cost per lb TN Water Quality (TP) _____ cost per lb TP Water Quality (Sediment) _____ cost per lb Sediment Flood Protection: _____ Benefit/Cost ratio Natural Systems: _____ cost per acre Natural Systems: _____ cost per linear feet shoreline</p>	
<p>Provide the required attachments: project map, construction schedule/timeline, project cost table or spreadsheet, and cost effectiveness calculator; plus, additional information required for your specific project type in accordance with the RIVER Funding Program Guidance.</p>		

Application Checklist

- All sections of the application are filled in completely or marked "N/A"
 - Detailed project schedule
 - Project phasing information (if applicable)
 - Detailed project cost breakdown
 - Calculations for quantification of project benefits
 - Cost effectiveness calculations and a copy of the cost effectiveness calculator for water supply/water conservation or water quality projects
 - Applicant has identified all required permits necessary for project construction
 - Application is digitally signed and dated
-

I certify that all information on this form and the attached document(s),
if applicable, is true and correct.

Signature of the person with authority to enter into a contractual agreement.

Name (print): _____

Signature: _____

Title: _____

Date: _____

Email Projects@SRWMD.org with the project name in the subject line and include all documents as attachments
