

NOTICE IS GIVEN that the Suwannee River Water Management District (the "District") has prepared and/or compiled all of the maps, data, models, and other information (hereafter referred to collectively as the "Information") contained in this site solely for the District's own purposes and as a public service for informational purposes only. The District does not owe (and does not assume) any duty to any individual concerning the Information.

The District and its officials and employees make no warranty, representation or guaranty as to the content, accuracy, timeliness or completeness of the Information. The District expressly disclaims any and all liability for any loss or injury caused, in whole or in part, by its actions, omissions, or negligence in procuring, compiling or providing the Information. Reliance on the Information is done solely at your own risk. The Information may change or be altered at any time. However, the District assumes no duty to update the Information in a timely manner or otherwise.

The District is not liable for any claims, damages, or injury of any kind you may sustain arising out of or relating in any way to your use of this site or the Information. The District will not, under any circumstances, be liable for any direct, indirect, incidental, special, consequential or punitive damages of any kind, even if the District has been advised of the possibility of such damages arising out of: (1) your use of or inability to use this site or the Information; (2) your reliance on any of the Information; or (3) any other matter related to this site or the Information. These limitations of liability shall apply regardless of any legal or equitable theory of liability, including, without limitation, theories of tort, contract or otherwise, and shall not be limited to third party claims.

The District has no obligation to detect the presence of any malicious programming. When you download or otherwise make use of any of the Information, you do so at your own risk and are advised to take adequate precautions (including use of anti-virus software and file backup procedures) to minimize any loss to your system caused by malicious programming. The District assumes no responsibility and shall not be liable for any damage to your system, computer equipment, data, or other property resulting from your access to or use of this site, your downloading of any Information, or from any malicious programming contained on this site.

If you have any questions, please feel free to contact the Office of Water Supply for the groundwater models or the Office of Engineering/ERP for the flood models at 386.362.1001, or through the "contact us" page here <https://www.mysuwanneeriver.com/FormCenter/District-7/Contact-Us-45>.
