

FY 2019 / 2020 RIVER Cost-Share Program Approved Projects

Project Name	Description	Cooperator	Resource Benefitted	RIVER Funds Requested	Applicant's Share	Total Estimate Cost
Bronson Wastewater	Extend central sewer to the Town's Phase 2 area	Town of Bronson	Waccasassa River	\$100,000	\$650,000	\$750,000
Gwen Lake Phase 2	Extend stormwater erosion control system Phase 2.	City of Lake City	Gwen Lake	\$220,000	\$75,000	\$295,000
Lake Francis Sediment Control	Install stormwater sediment and nutrient reduction structure.	City of Madison	Lake Francis / Madison Blue Spring	\$80,000	\$7,351	\$87,351
Gilchrist NE 2nd Way Park	Install erosion control to reduce sediment in the Santa Fe River	Gilchrist County	Santa Fe River	\$143,970	\$167,974	\$311,944
Southern St Lift Station Replacement	Relocate lift station out of the flood zone to reduce nutrient.	Town of Jennings	Alapaha River	\$200,000	\$2,670,000	\$2,870,000
Cross City Flood Management	4 Master meters and valve equipment for leak detection.	Dixie County	Coastal Rivers	\$100,000	\$346,655	\$446,655

TOTAL COSTS	\$843,970	\$3,916,980	\$4,760,950
--------------------	------------------	--------------------	--------------------

FY 2019 / 2020 applications approved for Alternate Water Supply funding

Project Name	Description	Cooperator	Resource Benefitted	AWS funds Requested	Applicant's Share	Total Estimate Cost
Hampton Water Main Loop	Loop water main to reduce flushing and conserve groundwater	Hampton, City of	UFA / Santa Fe River	\$164,000	\$18,250	\$182,250
University Oaks Phase III a	Replace existing water mains to reduce water loss.	Levy County	Waccasassa River	\$95,124	\$7,610	\$102,734
Alachua Turf SWAP	Replace irrigated turf with Florida Friendly Landscape	Alachua County	UFA / Santa Fe River	\$100,000	\$100,000	\$200,000
TOTAL COSTS				\$359,124	\$125,860	\$484,984

FY 2019 / 2020 applications that require further development

Project Name	Description	Cooperator	Resource Benefitted	Amount Requested	Applicant's Share	Total Estimate Cost
Poe Springs Sediment removal	Removal of sediment form the spring pool	Alachua County	Poe Spring	\$259,970.00	\$ -	\$259,970.00
Lake Santa Fe Canal	Data collection to determine sediment in the canal.	Alachua County BOCC	Lake Santa FE canal	\$105,000.00	\$ 10,000	\$115,000.00
Archer Woods Service Line	Replacement of aging water lines in Archer Woods.	Archer, City of	UFA	\$68,200.00	\$ 68,200	\$136,400.00
Archer Park Road Stormwater	Construct stormwater conveyance system	Archer, City of	Flood Protection	\$109,800.00	\$ 109,800	\$219,600.00
Bradford Co Water Oak Creek	Tree debris removal in Water Oak Creek	Bradford County	Flood Protection	\$1,350,000.00	\$ -	\$1,350,000.00
Bradford County Alligator Creek trap	Installation of a trash trap in Alligator Creek	Bradford County	Alligator Creek	\$150,000.00	\$ -	\$150,000.00
Branford Spring	Removal of sediment form the spring vent and public access system	Branford, Town of	Branford Spring	\$500,000.00	\$ -	\$500,000.00
Santa Fe Park Restroom	Restroom well and septic system construction	Gilchrist County BOCC	Santa Fe River	\$187,730.40	\$ -	\$187,730.40
Gum Swamp Rd Improvements	Remediation of land clearing that resulted in erosion	Jefferson County BOCC	stormwater Treatment	\$97,655.25	\$ 45,000	\$142,655.25
CR 300	Additional funding to complete previously awarded project.	Lafayette County BOCC	Flood Protection	\$537,060.00	\$ -	\$537,060.00
Lawtey Water Main Replacements	Replacement of aging infrastructure	Lawtey, City of	UFA	\$1,773,000.00	\$ -	\$1,773,000.00
University Oaks Phase IV	Replacement of aging infrastructure	Levy County	UFA	\$341,401.65	\$ 0	\$341,401.88
Madison Co Old Camp Rd	Increase storage in previously permitted pond	Madison County	Flood Protection	\$279,712.00	\$ 370,850	\$650,562.00
Old Jail Lift Station Rehabilitation	Wet well lining to reduce infiltration.	Monticello, City of	Wacissa BMAP	\$98,500.00	\$ -	\$98,500.00
TCWSD System Loss Monitoring	Installation of 4 master meters for leak detection	Taylor Coastal Water and Sewer District	UFA	\$100,000.00	\$ -	\$100,000.00
Stormwater Restoration Taylor Co	Replacement of constricted stormwater conveyance systems.	Taylor County BOCC	stormwater Treatment	\$60,256.00	\$ -	\$60,256.00
Modify Water Behavior in the Nature Coast	Education campaign to change behavior of area residents.	UF/IFAS Extension Levy County	Water Conservation	\$8,521.00	\$ -	\$8,521.00
