## ADDITIONAL DOCUMENTATION

The following documents should be included to consider the request.

- Map or aerial photograph showing the proposed route and an outline of the property to benefit from the license or easement.
- Copy of the deed for the property to be benefited by the license or easement or a copy of the Purchase and Sale Agreement if the parcel is under contract for purchase.

## PLEASE INITIAL THAT YOU HAVE READ AND UNDERSTAND THE FOLLOWING:

\_\_\_\_\_ The rights granted via license or easement must not, in any possible exercise thereof, conflict with the purposes for which the District lands were acquired.

\_\_\_\_\_ The District must receive fair market value as compensation for the loss of intended use of the land within any easement granted. The requester of the easement will be responsible for obtaining and paying for survey fees, appraisal fees, and reimbursing the District for legal fees.

\_\_\_\_\_ Submission of this application does not imply or guarantee that an easement will be granted by the District. The granting of an easement is subject to Governing Board approval.
