Who Should Attend

Elected officials, city and county managers and administrators, utilities representatives, water facility operators, planners, engineers, consultants, students, faculty, and other interested parties.

About the Seminar

This educational and informative one-day seminar on water reuse opportunities for small communities is the first-ever event of this type in this area.

Join us at the beautiful Camp Weed Conference Center, nestled in the tranquil Suwannee River Valley, to discuss initiatives to promote and expand water reuse, a key to meeting Florida's future water supply needs.

**There is no charge for the seminar
and lunch will be provided.**
